### Instructions

Please use the **attached templates** to create your design. Make sure that you **do not go over the lines**, as anything outside the lines will be cropped. Use template one for the water bottle and porcelain mug, use template two for the ceramic mug, and use template three for the coaster and keyring. For the canvas bag use a plain sheet of A4 paper. Your design can be in felt tip, pencil, crayon or paint. **Please do not use glitter or glue.**

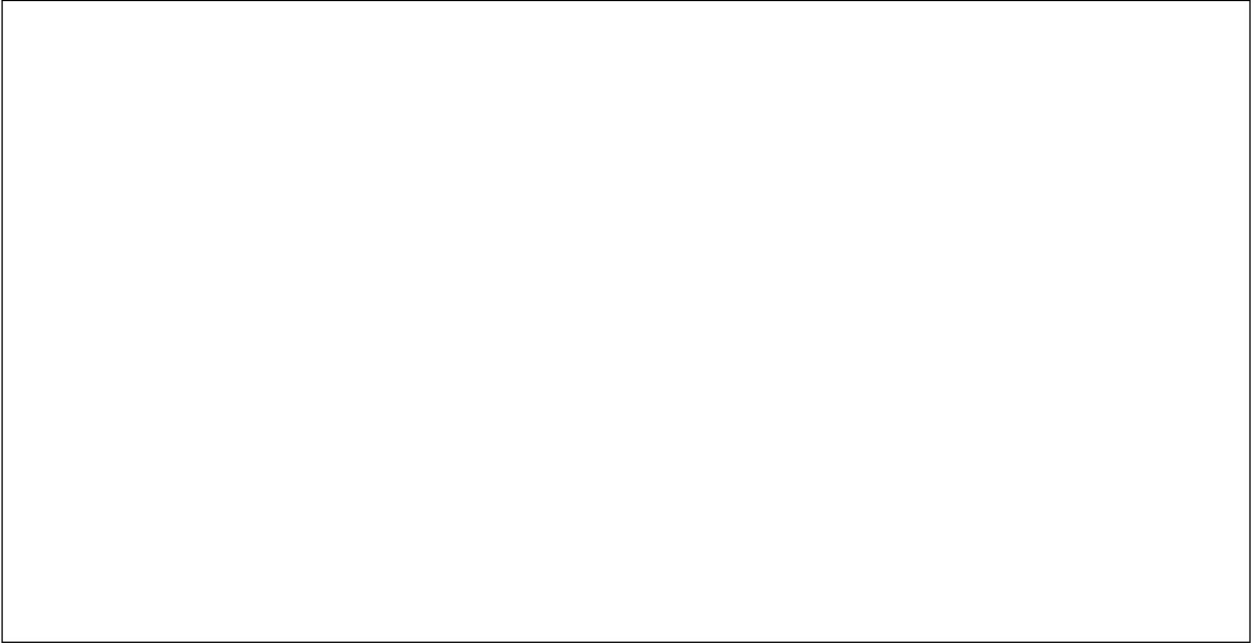

Return your design templates to the school with your completed order form and payment. Your personalised items will be ready in **two weeks**.
